

IT Services Delivery Coordinator–IT Team - Health Services Staffs Credit Union
18th February 2025

Position:	IT Services Delivery Coordinator -IT Team
Contract:	Permanent Full Time 35 hours per week
Reporting To:	Head of IT
Location:	High Street, Head Office Dublin 8
Remuneration:	€45,125 -€51,456 p.a. depending on relevant experience & qualifications* Annual Leave 26 days Occupational Pension Scheme

The Health Services Staff's Credit Union is once again hiring as we continue to be front leader in the Credit Union sector. Health Service Staffs Credit Union (HSSCU) is one of the largest credit unions, in the country with teams spread over 6 locations as well as staff working remotely on a hybrid basis. With our ongoing expansion we have a brand new role within our IT Team, which currently consists of 3 staff soon to be 4.

Reporting to Head of IT, the IT Service Delivery Coordinator is responsible for assisting with the management and coordination of IT services provided by 3rd party service providers. This role involves monitoring of service delivery processes, helping to resolve issues, and maintaining strong relationships with stakeholders. Assistance with the compilation and periodic review of HSSCU's IT & Information Security related policies and procedures will also be a requirement. The IT Service Delivery Coordinator shall have strong communication skills to support all our suppliers and business relationship management.

The contracted hours for this post is 35 hours per week, Monday to Friday

Role Description:

- Assist with the monitoring and management of the delivery of IT services to various departments within the Credit Union.
- Liaise with internal departments to understand IT requirements and ensure they are met
- Monitor and maintain 3rd party service level agreements (SLAs) and key performance indicators (KPIs), providing regular performance reports to HSSCU management.
- Assist in maintaining inventory records and documentation for equipment
- Maintain data asset register and access logs
- Assist with resolution of IT service issues, handling of escalations, and management of conflicts
- Attend regular service review meetings with stakeholders
- Assist with compilation and periodic reviews of IT & Information Security related policies and procedures.
- Assist with IT project implementations
- Develop and implement service delivery processes to improve efficiency and effectiveness
- Ensuring ongoing familiarity with all HSSCU IT systems required to effectively carry out the duties pertaining to the role and identifying and undertaking any training as may be required to ensure acceptable skill levels

- Ensure that Business Continuity and Disaster Recovery documentation is maintained and reviewed regularly, and DR testing is carried out as required.
- To support, promote and actively participate in sustainable energy, water and waste initiatives to create a more sustainable, low carbon and efficient Credit Union.
- Any other duties that may be required

Persons Specification

- Bachelor’s degree in information technology or a related field
- Excellent communication and interpersonal skills with a strong customer focus both internally and externally
- Excellent organisational skills
- Methodical with a high level of accuracy and attention to detail
- Ability and confidence to communicate effectively both orally and in writing
- Ability to work under own initiative with minimal direction
- Ability to work to deadlines and targets, can prioritise tasks under pressure
- Flexibility and willingness to take on new tasks and projects
- Ability to work with and part of a team
- Responsible and conscientious
